

JAINABA SISSOHO

Chief of Operations and Resource
Management

Ms. Jainaba Sissoho is a Gambian national who joined the United Nations Multidimensional Integrated Stabilization Mission in Central Africa (MINUSCA) as Chief of Operations and Resource Management in November 2023, following the closure of the United Nations Multidimensional Integrated Stabilization Mission in Mali (MINUSMA) where she served as Chief, Acquisition Management Section since 2020.

Ms. Sissoho initially joined the United Nations in 2003 with the UNICTR, Kigali Rwanda and has since served in multiple duty stations including conflict and post-conflict environments, in Somalia, Rwanda, Mali, Kenya and Tanzania.

Within her twenty-one (21) years of experience in the UN, Ms. Sissoho has held multiple positions within Administration, Logistics and Supply Chain and in 2006, she was part of the leadership team at UNSOS that successfully led the implementation of Mission Support Structures and Supply Chain concept as a pilot project prior to roll out in field missions.

She is passionate about process improvement and was the Business Process improvement focal point for MINUSMA from 2021 to 2023. In the last three years, she initiated and successfully implemented business process improvement projects such as inventory optimization, implementation of commodity management end to end leading to the alignment of budget formulation and acquisition planning through UMOJA.

She holds a master's in business administration, a master's degree in training and human resource development and is a graduate of Coventry University, majoring in Business Law.
