

Resolution 2745 (2024)

**Adopted by the Security Council at its 9695th meeting,
on 30 July 2024**

The Security Council,

Reaffirming its strong commitment to the sovereignty, independence, unity and territorial integrity of the CAR, and recalling the importance of the principles of non-interference, good-neighbourliness and regional cooperation,

Highlighting its decision in this resolution to fully lift the arms embargo on the CAR established under resolution [2127 \(2013\)](#) as amended, and *emphasising*, for the avoidance of doubt, that there is no more arms embargo on the Government of the CAR,

Expressing particular concern about reports of illicit transnational trafficking networks which continue to fund and supply armed groups and associated individuals operating in the CAR, *noting* in particular the use of explosive ordnances, including improvised explosive devices (IEDs), and landmines, which account for civilian casualties as well as the destruction of civilian properties and continue to disrupt humanitarian access, and *strongly condemning* human rights abuses and violations, as well as violations of international humanitarian law,

Condemning cross-border criminal activities, such as arms trafficking, illicit trade, illegal exploitation, and trafficking of natural resources, including gold, diamonds, timber, and wildlife, as well as the illicit transfer, destabilising accumulation and misuse of small arms and light weapons, that threaten the peace and stability of the CAR and impact on the security of the region, also *condemning* the use of mercenaries and violations of international humanitarian law and human rights violations and abuses perpetrated by them, and *emphasising* that active and close collaboration between the CAR and neighbouring countries is essential to secure its borders and other entry points to prevent the cross-border flows of armed combatants, arms and conflict minerals,

Expressing concern about the impact of the crisis in Sudan on the humanitarian, food security and security situation in neighbouring countries in general and in the CAR in particular, causing a significant influx of returnees and refugees within the CAR, intensifying humanitarian needs, and increasing the movement of arms and combatants in border areas, and *emphasising* the obligations under international humanitarian law, in particular the rapid, safe and unhindered passage for humanitarian relief to the population in need,

Taking note of the launch of the 10-year action plan and the border management policy and activities by CAR's National Border Management Commission,

Stressing that the measures imposed by this resolution are not intended to have adverse humanitarian consequences for the civilian population, *recalling* resolution 2664 (2022), and *emphasising* that any sustainable solution should prioritise reconciliation, including through an inclusive process that involves men and women of all social, economic, political, religious and ethnic backgrounds, including those displaced by the crisis,

Recalling the need for States to ensure that all measures taken by them to implement this resolution comply with their obligations under international law, including international humanitarian law, international human rights law and international refugee law, as applicable,

Recognising the need to safeguard due process, and to ensure fair and clear procedures for delisting individuals and entities designated pursuant to resolution 2127 (2013) and subsequent resolutions, and *welcoming* the adoption of resolution 2744 (2024) enhancing the mandate and procedure of the Focal Point for Delisting,

Taking note of the Secretary-General's letter dated 15 May 2024 addressed to the President of the Security Council (S/2024/391) consistent with paragraph 14 of resolution 2693 (2023) and of the CAR authorities' report addressed on 15 May 2024 to the Sanctions Committee pursuant to resolution 2127 (2013) ("the Committee") consistent with paragraph 13 of resolution 2693 (2023),

Further taking note of the final report (S/2024/444) of the Panel of Experts established pursuant to resolution 2127 (2013) ("the Panel of Experts"), and *taking note* also of the Panel of Experts' recommendations,

Determining that armed groups operating in the CAR constitute a threat to international peace and security in the region,
